

TRIPOD TURNSTILE

EP-TP303Q

The NUVEQ EP-TP303Q tripod turnstile is widely recognized as the most popular model on the market. Its most distinctive characteristic is its ability to allow only one person to pass through at a time, which provides unparalleled security measures against tailgating and unauthorized access.

The EP-TP303N boasts a sleek and timeless design, available in classic black or white, making it an ideal choice for high-end applications where appearance and functionality are equally important.
